

5.1.22 For immediate release

Position Title: Grocery Clerk

StarkFresh is pleased to announce we have several Part and Full-time positions available at our Food Justice Campus in Downtown Canton.

Organization Information:

StarkFresh is a small, but mighty 501(c)3 nonprofit located in Canton, Ohio, and servicing Stark County, Ohio.

Our mission is tackling the causes of hunger by creating realistic pathways out of poverty and we use food as the catalyst for this change.

At StarkFresh we envision a Stark County where a culture of good nutrition creates a better quality of life as well as a community that is rejuvenated and empowered, free from the restraints of systematic poverty. We are connecting growers, consumers, & producers to help create a better food system that focuses on making locally-sourced, nutrient-dense, and affordable foods available to everyone in Stark County.

Since 2014, years, StarkFresh has run Northeast Ohio's only Mobile Grocery Market, which provides healthy food access to areas throughout the county that are in *food apartheid* areas and to those with low mobility challenges. These "Veggie Mobiles" take produce and other healthy groceries into the community where they are sold at a reasonable cost. Some of our other programs include our free Seed Library distribution, our urban training farm, the Food Incubation Center, and since 2020, the StarkFresh Grocery Store all operating from our Food Justice Campus.
